

## Deaf Foreign Exchange Student Needs a Host Family in Kentucky!!

Gate Communications is helping a deaf foreign exchange student relocate to the area for her stay in the U.S. She is 16, and uses NZSL (New Zealand Sign Language). She is in need of a host home where she can truly experience family life in the U.S. and her hosting organization is interested in her staying with a deaf family or family of Signers. If you know of someone who would be interested in hosting a Deaf Foreign exchange student beginning in August, please contact the Gate office ASAP at 615-221-4030 or Samantha Terzis at the address below. There is an application process. The sponsoring organization, AFS, is looking for a home in the KY, TENN, MISS area.

Thank you!
